

Thank you for supporting our school!

Dear Education Friend and Supporter~

On Saturday, February 15, 2020, Elmhurst Academy will host the annual Winter Program & Silent Auction, at Drury Lane in Oak Brook.

This year's event is titled "*Elements of Winter*" celebrating the arts, our students and their accomplishments. In addition to student performances, the academy hosts an annual silent auction event to help raise funds for learning materials and school enhancements to maintain the growth and success of our school.

We kindly request your assistance to our auction!

Each year we ask for donations from individuals, organizations and businesses in the community to assist with ensuring the success of our fundraising event. Some examples of auction items are gift certificates, children's items, distinctive merchandise, entertainment and travel opportunities, themed gift baskets tickets to cultural and sporting events, an exciting experience, or perhaps an hour of your time for professional services.

In return, your name and donation item(s) will be promoted in the Silent Auction Program as well as highlighted in the school newsletter.

If you wish to make a donation, please complete the enclosed donation form and return to our school ***no later Monday, January 20, 2020***. We thank you in advance for your generosity and consideration in making this a memorable experience for our school.

Elmhurst Academy is a private, independent, Reggio Emilia inspired early childhood school, educating children from birth through kindergarten since 1981. In addition to being nationally accredited through the NAEYC; Elmhurst Academy was also named an exemplar P21 school, as well as is a certified Nature Explore School, an accreditation through the Arbor Day Foundation.

We want to extend a HUGE thank you to all who have helped with donations over the years. The support for Elmhurst Academy would not be possible without all of you.

Warmest Regards,

Colleen Odegaard
